Inclusive CanSkate
Fall 2022
Schedule & Pricing

Location: Callingwood Arena

Please note:

- **Fall 1 Classes run from September 14 – October 29, 2022**
- **Fall 2 Classes run from November 2 – December 23, 2022**
- **Every skater is responsible for purchasing a Skate Canada Membership & Safe Sport Fee ($44.00). You purchase it once and it covers all classes taken from September 1, 2022 to August 31, 2023. This fee is automatically added to your cart at the check-out. If you already have a Skate Canada Membership number from another Club (regardless of the year it was purchased), it is your responsibility to obtain the number and enter into our online registration system. If the Skate Canada number is current, the $44.00 membership fee will be waived.**
- **Every program has an Administration Fee of $10.00 which is added on during check-out, this helps cover the costs associated with the online registration platform, credit cards and general administration.**
- **During the check-out phase you will be required to acknowledge our Clubs policies, procedures and will have a chance to opt-out of receiving emails from our Club. If you chose to opt-out of emails you will not receive any notification of possible class changes, special events or general Club information.**
- **Please be sure you are signing up for a program that fits your schedule. A $25.00 fee is applied if you switch days.**
- **We have a zero-refund policy. We also do not offer make up classes as most of our programs fill up.**
- **Every skater must wear a CSA approved helmet, mittens/gloves and have lace-up skates. If your skater is wearing a bike helmet, ski helmet or any other type of unapproved helmet they will not be allowed onto the ice.**
- **Report cards are handed out on the last skating class. If your skater will not be at the last class, then the report card can be picked up on any of our Clubs skating days during the next session as long as the coaches are not instructing a class, otherwise you will have to wait until they are finished**
